New Bedford Harbor Superfund Site Informational Meeting

Come learn about environmental and navigational dredging projects in New Bedford Harbor. Stay involved and informed as the U.S. Environmental Protection Agency (*EPA*), the Massachusetts Department of Environmental Protection (*Mass DEP*), and the New Bedford Harbor Development Commission (*HDC*) report progress on the Superfund harbor clean up, navigational dredging and Confined Aquatic Disposal (*CAD*) cell technology.

**New Bedford Public Library
613 Pleasant Street
New Bedford, MA**

Spanish & Portuguese interpretation available.

This meeting space is fully accessible. For questions please contact:

**Jeanethe Falvey U.S. EPA.
Toll Free 1-888-372-7341 ext.8-1020**
